Flow Chart

Start

Set Value=0

Accept a value for TH=1

Accept a value for FF=1

Accept a value for MF=1

Accept a value for RF=1

Accept a value for LF=1

TH+FF+MF+RF+LF=5

Resume count with RR to get to a value=10

Accept a value for RF=1

Accept a value for MF=1

Accept a value for FF=1

Accept a value for TH=1

Count Value=10

End

This is a Sequential Flow Chart.
I am demonstrating within this flow chart, the process of counting 1 to 10 on one hand by starting with the thumb and ending the count on the first finger.
Key Codes:
Thumb = TH
First Finger = FF
Middle Finger = MF
Ring Finger = RF
Little Finger = LF
